Spoke with Kim and she said that she has spoken with Steve and he says she needs to talk with the EPA. He is willing to sell the property.

I can call her early next week. But she should talk to Steve Wright. As they still own the property and haven't decided what they are going to do at this time.

Hi Ruby,
I am leaving for the day, and will be out of the office tomorrow. If you don't hear back from Joe, would you please give Ms. Moriaski a call to let her know that Mike will give her a call early next week when he's back in the office?
Thanks!
Mark

Kim Morisaki called from Flathead County Economic Development Authority 406 257-7711 Ext 3. She needs to speak with someone about general questions for a company interested in purchasing property from GlenCorp. Needs information on EPA boundaries and economic development. Would one of you be able to contact her to see if you can answer questions? Robert and Mike are both out of the office this week. If not she can call Mike on Monday when he returns.

Thanks,
Ruby Miller
